

ABOUT BUGL

At our heart, the society aims to bring gamers together. We offer free in-person and online gaming sessions and social meet-ups with your fellow university members. Twice a week, we run offline in-person events where we play various console games and fun small tournaments, and online sessions of all your favourite PC and console games once a week. We have monthly in-person socials at our pub sponsor, The Harp Inn, where we play party games and run small Mario Kart and Smash Bros tournaments.

JOIN BUGL ON THE UNDEB BANGOR WEBSITE

Please make sure to join BUGL on the Undeb Bangor website. You will need to log in using your university account. Joining ensures that you are insured during our events, and we can gauge numbers for future events. You can find instructions on our social media.

THE HARP INN

BUGL is proud to be sponsored by The Harp Inn. All BUGL members will receive a 10% discount card that they can use all year round. Plus, we host many socials there, including playing Mario Kart and Super Smash Bros.

LIVESTREAMS

Every week BUGL Committee Members play games on the BUGL Twitch channel. We encourage society members to join in. Every month we have a charity stream to raise money for charities voted for by the society.

48-HOUR GAMING MARATHONS

Every year we host three 48-Hour Gaming Marathons where we host many fun tournaments with plenty of prizes to be won. All students can bring their own computers or game consoles. Our sponsors provide plenty of sustenance to keep your gaming going. Our first marathon will be in November; details will be announced soon on our social media.

SOCIAL MEDIA

You can find us on all major social media platforms. The main place to keep up to date with our society is by joining our Discord server, which you can do via the Bangor Student Hub by linking your university email on Discord or by going to www.dis.bugl.me.
